Districts with one or more schools that have one or more subgroups whose ESSA School Index score is at or below the ESSA School Index Score at 1st percentile each year for three consecutive years are notified of their schools which have consistently underperforming subgroups and are eligible for Targeted Support and Improvement. Districts will be notified annually based on the three most current years of ESSA School Index scores of subgroups meeting the minimum N of 15 for all indicators in all three years.

In 2018, schools with consistently underperforming subgroups whose subgroup ESSA School Index scores are at or below the ESSA School Index score at the 5th percentile, were identified for Additional Targeted Support and Improvement. This eligibility will be evaluated every three years.
